Our new collection of Italian wines, from some of the country's most loved wine regions, made by Italy's leading winemakers (*enologi*), from their favourite vineyards, released in small numbers.

### Friuli Colli Orientali Bianco 2020

Denominazione di Origine Controllata

Having travelled extensively around the wine countries of Europe (and beyond) to study vines and soil, **Gianni Menotti** in his home of Friuli made this second delicately balanced white wine for us.

Again from the marlstone hills of Friuli, near the Slovenian border, a blend of Friulano (25%), Pinot Bianco (40%), Sauvignon Blanc (20%) and Riesling Renano (15%). Each of the varieties from vines that are 35–45 years old, the first three, characteristic of Friuli, defining the aromas, and the Riesling Renano adding pleasant salty dryness. A small selection of each grape variety is aged in *barriques* and *tonneaux*, the majority in stainless steel.
